**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a single dad with a high school student. I cant afford high priced internet. Im this day and age the internet is vital to students. We need local providers and better prices alternatives. Ive cut out most of even the simplest of luxuries. Movies, eating out, concerts , trips etc. Reasonably priced internet is not a luxury for a high school student. Its a necessity.
